How to Book a Parents' Evening appointment for Monday 10th/Tuesday 11th February 2020

Parents' evening appointments are booked online. **Please ensure we hold up-to-date contact details for you to enable this system to work.**

On Tuesday 21st January:

You will receive a text and e-mail (if you have provided us with one) with a link to sign up for your child/children's parents' evening. You will only need to use one of these methods to sign up.

Click the link. The system is secure and your link is personalised for your child/children.

You will be directed to the login page.

Enter your child's name.

You will then be able to see the available time slots.

Select your time slot.

You will receive confirmation of your booking (time and day) and will also be notified/reminded the day before your appointment.

You can continue to use the link to login again at any point (up to Thursday 6th February) to amend the booking if needed.

Parents with more than one child in school can access all their children from the one link and login page to help with coordinating appointment times.

If you are unable to access the link or do not receive it, please see Mrs Penswick at the main office who can investigate and check the contact details we hold for you. Appointments can be manually booked at the office if required.

If you cannot make parents' evening on these dates, please liaise with your child's teacher about a convenient time to discuss your child's progress.

CURRICULUM OVERVIEWS

Curriculum overviews (an overview of what your child is covering in the Spring term) can be found on the school website:

<http://www.waterwellsprimaryacademy.org.uk/>

Select the 'school information' tab, 'curriculum' and then the relevant year group.

PARKING

Please think carefully when parking and be considerate to the safety of others. Please avoid parking up on kerbs impacting on pedestrians and pushchairs and restricting visibility, and avoid parking/ dropping off on the zigzag yellow lines and double lines. Your cooperation and consideration would be much appreciated by all. Thank you.

The last day of this term is Friday 14th February.
