£1 a lolly (cash)

Funds raised will support Year 6 end of Primary school celebrations.

Lollies will be on sale every Friday afternoon, straight after school in the main playground.

Thank you for your support.

Composite Prime school competition 'Message in a bottle'

Plea for plastic milk/drink bottle tops...

'Message in a bottle' is a competition for schools to work creatively producing art, whilst raising awareness of the harmful impact of plastics on our wildlife.

This term, the children will have the opportunity as one of the outdoor lunchtime activities, to help create a plastic bottle-top mural/sculpture, which will be entered into the Composite Prime school competition.

To do this, we need your help and would appreciate any washed, plastic milk bottle tops being sent into school.

We're going to need lots!

Children can hand them in to the class teacher.

We look forward to sharing the final product at the end of term!

Bikes and Scooter

Children must dismount from bikes and scooters before arriving at the school gates to help keep everyone safe. They must not ride on the school grounds (before or after school).

Children that bring scooters to school with a helmet will be permitted to ride their own scooter in a designated area at lunchtime if they wish.
